[Asav Keygen](#)

The screenshot shows the Autodesk activation options window. A smaller window titled "Autodesk Products 2011" is overlaid on top, displaying the "X-FORCE" logo and a "Request" field containing the code "RBPZ 41YL 0EA2 7KA9 503S 2F0C 7DLH YQCZ". Below the logo, there are "Activation:" fields containing the code "UJ4DEUQ3VJS9K04L5JG5H9YGNE3X8GNRDNX2" and "SSSC3PRHVQ13X9Y216CZ". There are three buttons: "Mem Patch", "Generate", and "Quit". Red arrows and numbers (1-4) point to these elements: 1 points to "Mem Patch", 2 points to the "Request" field, 3 points to "Generate", and 4 points to the "Activation:" fields. Below the main window, there are radio buttons for "Conectar ahora y activar (recomendado)" and "Tengo un código de activación de Autodesk". The second option is selected. Below it is a grid of 16 input fields for the activation code, with numbers 1-16 next to them. A "Borrar todo" button is below the grid. At the bottom are "Atrás", "Cerrar", and "Siguiente" buttons.
